

Empowering Our Community Together

Renewal and Expansion Process

We Are Here → Petition Phase

The Ocean Avenue Association (OAA) is up for renewal. To continue providing essential services, OAA must secure 30% approval from property owners.

A "no" vote means that OAA will cease operations by the end of 2025. Without OAA, property owners will need to rely on limited and infrequent city services.

A "yes" vote ensures that OAA operations will continue for the next 15 years, maintaining the current level of service and community benefits.
